Skills

- **Languages**: Java, C++, Bash/Shell Scripting
- **Frameworks**: Serverless Framework, Terraform, Flask
- **Tools/Platforms**: Amazon Web Services (AWS), Docker, Kubernetes, Git/GitHub
- **Soft Skills**: Problem-Solving Skills, Analytical & Critical Thinking, Communication Skills

Training

Advanced Data Structures – Center for Professional Enhancement (LPU) | Certificate — June 2025 – July 2025

- Gained hands-on experience with **6+ Advanced Data Structures**, including **AVL trees, Red-Black trees, heaps, graphs, hash tables,** and efficient **searching/sorting techniques**
- Improved **algorithmic thinking** and **problem-solving skills**, increasing **data-structure proficiency by 22%** through practical implementation of **complex concepts**
- Optimized **program time-complexity** and strengthened **coding proficiency,** solving **150+ problems** for **competitive programming** and **technical interview problems**

Projects

Print Queue Manager - Automated Job Handling System | Link — June 2025

- Engineered an automated **Print Queue Manager** using **FIFO queue data structures** to manage **1st-in-1st-out processing order** efficiently
- Integrated **3 core queue operations — job insertion, job removal**, and **real-time job tracking** — showcasing strong **algorithmic reasoning**
- Constructed a **modular and scalable system** using **C++, Python, Stream Lit**, and **file handling**, highlighting **clean architecture** and **queue-based processing**

Tech: C++, Data Structures, Stream Lit, Python, File Handling

Movie Recommender - Search and Mood-Based Suggestion Chat Bot | Link — April 2025

- Developed a **Movie Recommender AI Bot** using **HTML, CSS, and JavaScript** that suggests movies based on **user mood selection** (happy, sad, excited, relaxed, etc.).
- Implemented a **search and recommendation system** to display complete movie details such as **title, genre, rating, description, and release year** in a user-friendly interface.
- Designed a **responsive and interactive UI** with dynamic DOM manipulation and JavaScript logic to enhance user experience and decision-making.

Tech: HTML5, CSS3(responsive), JavaScript

Certificates

- AWS Cloud Practitioner Essentials. | AWS — November 2025
- Master Generative AI & Generative AI tools (ChatGPT & more) | Udemy — August 2025
- Introduction to Internet of Things. | NPTEL — April 2025

Extra-Curricular Activities

"One India, One World" – Theatre Club:

- Participated in a theatre production showcasing cultural unity through stage performance

"Community Development Activities":

- Participated in Blood Donation Camp, organized by LPU Community Service Cell.
- Volunteer, University Social Outreach Programs – promoting community well-being and civic engagement

Education

Lovely Professional University — Jalandhar, Punjab
Bachelor of Technology - Computer Science and Engineering; **CGPA: 6.16** — Since August 2023

Sri Chaitanya Junior Kalasala — Hyderabad, Telangana
Intermediate; **Percentage: 70** — April 2021 - March 2023

Sri Sai Public School — Hyderabad, Telangana
Matriculation; **Percentage: 95** — April 2020 - March 2021
